

Watch Around Water 2011 season launch

You are all invited to the 2011-12 swimming season opening and Watch Around Water public launch on;

Saturday December 10
From 9.00am
At State Aquatic and Leisure Centre
Morphett Rd,
Oaklands Park Park

Aileen Dwyer, Former Executive Director of Royal Life Saving Society SA launching the Watch Around Water program at Unley Swimming Centre for the 2010-11 Season

Brenton Ragless, media personality and Watch Around Water ambassador being interviewed by Nathan Byles, Manager of Unley Swimming Centre

Watch Around Water is a comprehensive program which addresses the misconception by many parents that the supervision of young children is the sole responsibility of the lifeguards when visiting public aquatic facilities. It encourages parents/guardians to take on the responsibility for adequately supervising their children while visiting public aquatic facilities.

For full details of the Watch Around Water program can be found at;
